Child Care PIN

Your Family Day Care Service is using a technology platform designed to streamline communication and administration processes with families. One of the important components of this is the introduction of electronic signatures (or e-Signatures).

It is a regulatory requirement that all children are signed in and out of care each day. Your Family Day Care service will be using a PIN to verify a person's identity when signing child attendances.

A system generated random PIN will be sent to you via your email address.

PIN Security

Your PIN should never be shared with anyone else. Encryption technology will secure your PIN. If you have forgotten your PIN, your Family Day Care service can resend a new random generated number to your email.

Changing your PIN

You have the option of changing this PIN to a number of your choosing via the link you have received in your email or within the Parent Portal. You can change it to any 4 to 8 digit combinations, except for clashing numbers and weak security numbers, such as 1111 or 1234, etc.

NOTE: If you are changing your PIN via the link in your email you have 72 hours to do so. If you miss the timeframe to change your pin just ask your educator to contact your Family Day Care Service (or contact them directly) to request a new Child Care PIN be generated. This will contain a new pin with a new link.

Who else can sign In and Out?

The registered guardian will be issued with a Child Care PIN. In addition, different PINs can be provided to other persons, nominated by the registered guardian, with authorisation to collect your children.

Incorrect PIN Entry

In the event that your Child Care PIN is entered incorrectly more than 5 times, your PIN will become invalid. This will result in you receiving an 'Invalid PIN' error when attempting to use your PIN. To have a new PIN issued, ask your Educator to contact your Family Day Care Service (or contact them directly) to request a new Child Care PIN. The pin can be then changed in the parent portal.

Quick 4 Step Guide

Upon arrival, your educator will have a device ready for you to use to sign in and out using e-Signatures.

To sign your child in and out of care, follow the easy 4 step process:

Step 1.

Select your child by clicking their name place card:

Step 2.

Tell us who you are:

A screenshot of a 'PIN Entry' dialog box. The title bar says 'PIN Entry'. Below the title bar is a blue instruction bar: 'Please choose from either Guardians/Partners/Authorised Pickups or Other.' Underneath, there are two sections. The first is 'Guardians/Partners/Authorised Pickups' with three buttons: 'Laura Stebbings' (highlighted in green), 'Jason Stebbings', and 'Nina Stebbings'. The second is 'Other' with a dropdown menu currently set to 'Unselected'. Below these is a 'Pin' field with the text 'Please enter your PIN'. A red arrow points from the 'Laura Stebbings' button to the 'Pin' field. At the bottom right are 'Cancel' and 'OK' buttons.

Step 3.

Enter your Child Care PIN:

A screenshot of the 'PIN Entry' dialog box, similar to Step 2. The 'Laura Stebbings' button is highlighted in green. A red arrow points to the 'Pin' field, which contains six asterisks. The 'Other' dropdown is set to 'Unselected'. 'Cancel' and 'OK' buttons are at the bottom right.

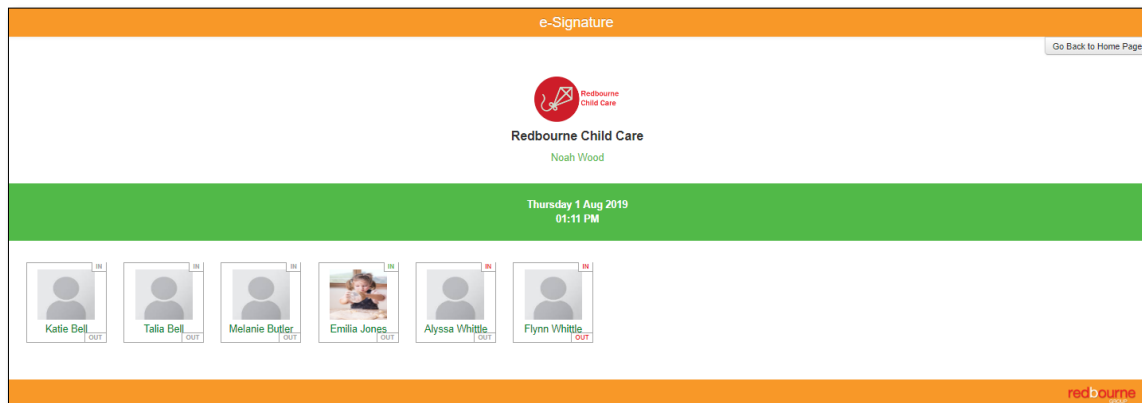

Step 4.

Click 'Sign In' or 'Sign Out':

A screenshot of a child care interface. At the top, it says 'Friday 9 Nov 2018 10:24 AM'. Below that is a profile card for 'Jace Stebbings' with a photo and a green checkmark. Under the profile card, there is a status indicator '08:00 AM - 06:00 PM' with a 'Not Present' checkbox. Below that is an 'IN 10:29 AM' button. At the bottom, there is a 'Comment...' field and three buttons: 'CANCEL', 'SIGN OUT', and 'SIGN IN'. Red arrows point to the 'SIGN OUT' and 'SIGN IN' buttons.

[Signing In and Out with e-Signatures](#)

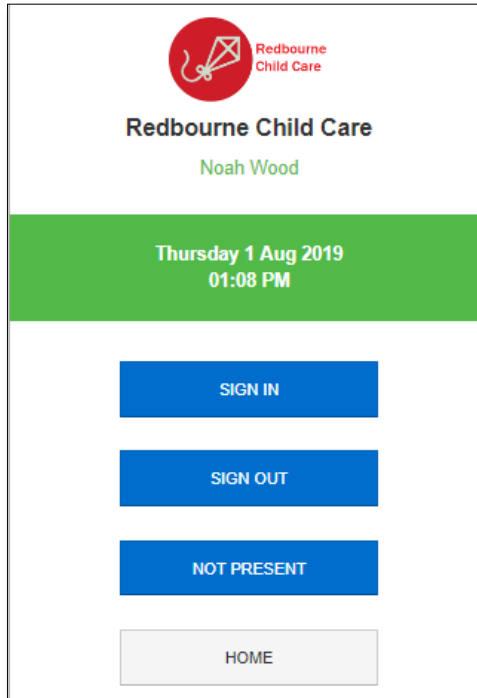

When arriving to drop off children into care, the educator will have the following screen open:

You will need to click on your child's name and the following window will open where you can now select **your name** and enter **your PIN**. Once your PIN has been entered, click **OK**.

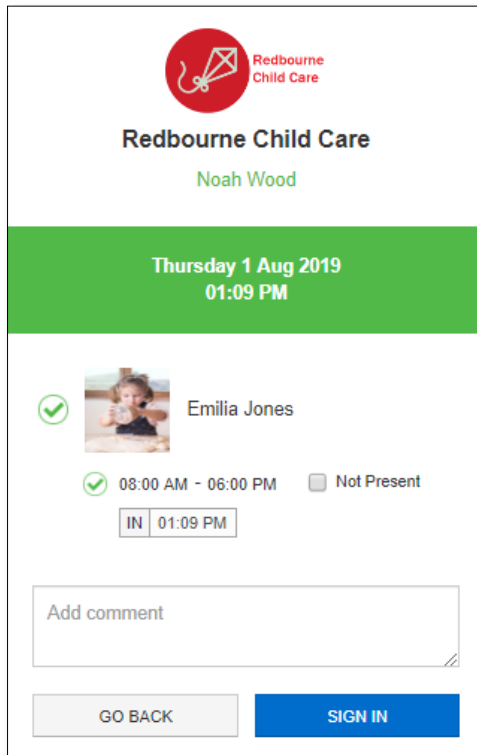

The screenshot shows a 'PIN Entry' dialog box. At the top, there is a close button (X). Below the title, there is a light blue instruction box: 'Please choose from either Guardians/Partners/Authorised Pickups or Other.' Underneath, there are two sections: 'Guardians/Partners/Authorised Pickups' and 'Other'. In the 'Guardians/Partners/Authorised Pickups' section, there are four buttons: 'Samantha Daly' (highlighted in green), 'Albert Daly', 'Andrew Daly (Uncle)', and 'Martha Daly (Grandmother)'. In the 'Other' section, there is a dropdown menu currently set to 'Unselected'. Below this, there is a 'Pin' field with a text input box containing five dots and a cursor. At the bottom right, there are two buttons: 'Cancel' and 'OK'.

Once you have clicked **OK**, the e-Signature options will display:

To sign your child (or children) into care, please click the  button.

Once the **Sign In** button has been clicked the following screen will open:

Click the **Sign In** button and your child will be signed in at the current date/time. If you would like to add any comments regarding this session, you can do so in the comments box before clicking **Sign In**.

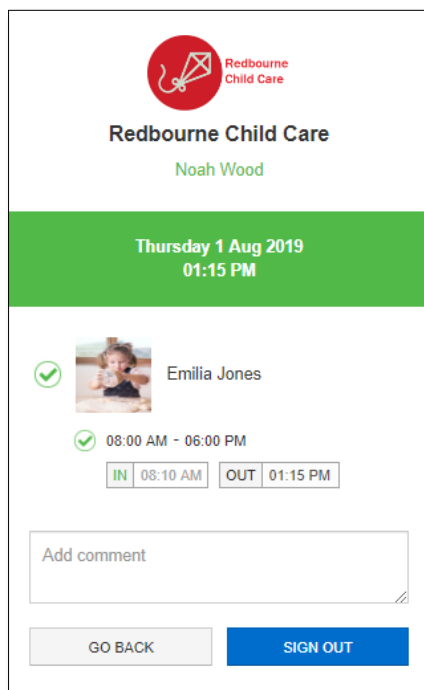

NOTE: If your child is absent from care, please click the 'Not Present' button and then click 'Sign In'. This may also be selected directly from the e-Signature option page. Once clicked, this button will change to red.

Once your child has been signed in you will receive the following message:

The Sign Out process is very similar to the above steps. When you return to pick up your child (or children), the same e-Signature screen will be available for you to click your child's name. Simply repeat the process of selecting your child, selecting your name and entering your PIN.

To sign your child out of care, please click the  button. Once the **Sign Out** button has been clicked the following screen will display:

Please click **Sign Out**. Once again, if you would like to add any comments regarding this session, you can do so in the comments box before clicking **Sign Out**.

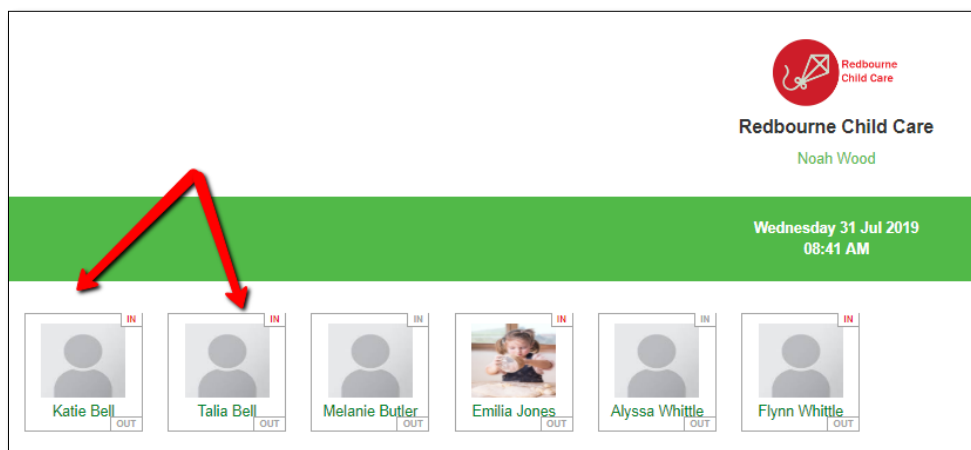

Once the child has been signed out you will receive the following message:

NOTE: that if you have more than one child, you will be able to sign all children in/out at once. You will also be able to untick children, if you do not wish to sign specific children at that time.

Siblings

Siblings will all be signed in/out together. In the example below Katie and Talia are siblings.

Even if you only select Katie both siblings will appear to sign in:

✓ Talia Bell
✓ 08:00 AM - 06:00 PM Not Present
IN 08:49 AM

✓ Katie Bell
✓ 08:00 AM - 06:00 PM Not Present
IN 08:49 AM

GO BACK SIGN IN

If both siblings are in care then click sign in.

If one child is in care, however the other child is absent then click on **Not Present** for the child that is away before clicking sign in:

✓ Talia Bell

Casual Care

When your child attends care on a day you are not usually booked for, you will need to follow a slightly different process.

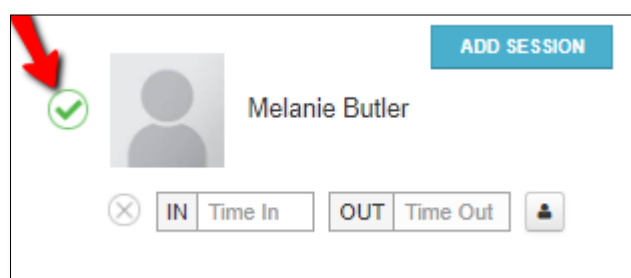

You will need to click on your child's name on the e-Signature home screen and complete the PIN entry process.

Once again, select the **Sign In** button. The following window will appear:

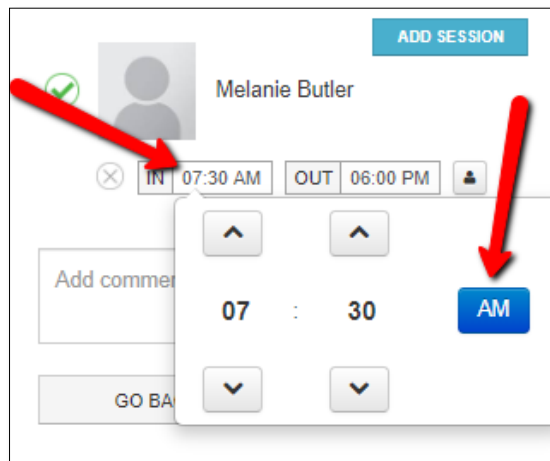

The screenshot shows the 'e-Signature' app interface. At the top, there is a navigation bar with a hamburger menu icon and the text 'e-Signature'. Below this, the breadcrumb 'Home > Operations > Sign In' is visible. The Redbourne Child Care logo and name are displayed, followed by the user's name 'Noah Wood'. A green bar indicates the date and time: 'Tuesday 28 May 2019 08:11 AM'. Below this, the user's profile is shown with a grey tick mark, a photo placeholder, and the name 'Melanie Butler'. There is an 'ADD SESSION' button. Below the profile, there are 'IN Time In' and 'OUT Time Out' buttons. A text input field for 'Add comment' is present. At the bottom, there are 'GO BACK' and 'SIGN IN' buttons. The Redbourne Group logo is at the very bottom.

Click on the **grey** tick beside your child's name and photo. This will change it to a **green** tick. A time in and time out box will then appear underneath.

This close-up screenshot shows the user profile section. A red arrow points to the tick mark next to the name 'Melanie Butler', which is now green. Below the name, the 'IN Time In' and 'OUT Time Out' buttons are visible. The 'ADD SESSION' button is also present.

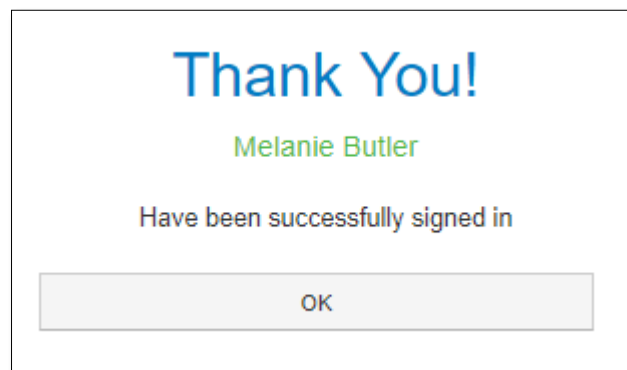

Enter the Time In and **expected** Time Out for that day using the time selector.

NOTE: If your child is coming in for multiple sessions (before and after school care) please only add the before school care hours as your educator will take care of the afterschool times.

Click **Sign In**. If you would like to add any comments regarding this session, you can do so in the comments box before clicking sign in.

The following window will appear:

To sign your child/ren out of care, please follow the usual signing out process.

Signing a Timesheet

At the end of your week in care, your Educator may request that you sign and sign your child/children's Timesheet. This Timesheet will contain your sign in and out times, absences, charged hours of care and additional charges (such as food and travel).

To verify the Timesheet, your Educator will have it open for you to view. At the bottom of the page, you may select either 'PIN' or 'PAD':
